SEASON 2010 2011 NEWSLETTER

## PRESIDENTS REPORT

Welcome everyone to another season we have a huge calendar presenting a range of divisions, which will provide some excellent racing and great entertainment. This includes Speedcars, AMCA and Formula 500's, Super Sedans, V8 Dirt Modifieds, Late Models and hopefully Sprintcars. Put these guys together with our very own Production division, New Star and Top Star Juniors and we have an exciting year ahead of us all.

I would like to thank Ann Noakes, Tom Roberts and Kylie Duits for attending the State Meeting of the WASCF, which was held in Perth, they gave up their weekend to attend so thanks. Also to my great band of supporters your help is valued and appreciate every one of you. I apologize now if the grumps set in before the season begins (especially to Lynda!!!!)

The Health Department have given us some guidelines in which upgrades to the track must be carried out, this means busy bees will be frequent and I urge everyone to attend so we can get racing!!! Dates being - 15/8 29/8 19/9 3/10 17/10 24/10 31/10 6/11 all beginning at 10am.

We will also be arranging a display at the Margaret River Show on the 16<sup>th</sup> October and require 3 cars and members to promote the club. Please contact Tania Minchin to volunteer.

Enclosed in the newsletter is the club membership form, which also includes a Code of Conduct that must be signed by all Competitors together with Parents. Last season saw some behaviour that will not be tolerated this season, the people that volunteer their time do so because they enjoy the sport and wish to help our club **SO BE WARNED YOU WILL NOT GET A SECOND CHANCE!!!!**

Any way enough of me dribbling on let's hope we have another great year.

Yours in Speedway,  
Jock

## Code of conduct – Competitors

- Always comply with the race rules and regulations.
- Competitors are responsible for their own conduct as well as the conduct of any person associated with them, such as, pit crews, vehicle owners, sponsors.
- Most Stewards have volunteered their services for the smooth, efficient and fair conduct of the race meeting. Avoid arguing with a Steward. If you disagree with a ruling, quietly check with the official on how the decision was reached.
- Control your temper. Verbal and physical abuse of Stewards or other competitors and deliberately distracting or provoking others is not acceptable or permissible behavior.
- Treat all competitors as you would like to be treated. Do not interfere with, bully, or take advantage of any other participant.
- Avoid the use of coarse or derogatory language.
- Compete within your skills levels. Only try to extend these skills when there is no likelihood of danger to others, and personal risk is controlled.

## Code of Conduct – Parents

- Encourage children to participate, if they are interested. Do not force any child who is not willing to participate.
  - Focus upon the child's efforts and performance rather than the overall outcome of the event.
  - Assist the child to set realistic goals based on their ability.
  - Teach children that an honest effort is as important as victory, so that the result of each meeting is accepted without undue disappointment.
  - Encourage children to follow the rules and any Stewards decision.
  - Never ridicule or scold a child for making a mistake during a competition. Positive comments are motivational.
  - Remember children are involved in speedway for their enjoyment, not yours.
  - Children learn best from example. Applaud good performance by all competitors.
  - Respect a Steward's decision. If you disagree with a Steward, raise the issue through the appropriate channels. Do not question the Steward's judgment and honesty in public.
  - Support all efforts to remove verbal and physical abuse from sporting activities.
  - Recognise the importance and value of volunteers.
  - Demonstrate appropriate social behavior by not using foul or derogatory language.
-
